

The great escape

Sivananda Yoga WEEKEND HOLIDAYS

Welcome to a vacation like no other! Welcome to a Sivananda yoga retreat!

Yoga is meant to give your life a boost, develop positive thinking, radiant health and inner peace through the practice of ancient techniques for balanced living.

The yoga retreat is a vacation based on age-old tradition and wisdom. Living with trained teachers of yoga and following a simple, structured daily schedule, allows you to focus on yourself. The vacation is designed to give ordinary people a deeper experience yoga, and to help develop a strong practice which can be incorporated back into your daily life at home. The full daily schedule is given below.

In the retreat, you will have an opportunity to practice yoga asanas, relaxation, cleansing techniques called kriyas, pranayama, the science of breath, and its control, and guided meditation. In addition to this, you will be introduced to the yogic theory and its practical application in modern life.

There will also be a special cuisine, a light, tasty, vegetarian menu, fresh air, serene surroundings, relaxed and peaceful environment, a gathering of like-minded people, discussions on yoga philosophy and highly trained teachers and guides.

The larger idea is for the retreat to give you the methods, the knowledge and the understanding on how yoga can become a practical way and part of daily life.

The weekend retreat, while being a wonderful holiday, offers a profound personal experience and builds a firm foundation of inner discipline.

Among the many benefits participants report are increased strength and flexibility, greater spiritual awareness, improved concentration, enhanced self-esteem and a new found sense of self-discipline.
